SAVE THE DATE!

It is our great pleasure to invite you to the 5th Central European Technology Forum – CETEF'26 which will be held at **the Lecture and Conference Center of the Poznan University of Technology, Poland on 19-20 October 2026.**

MANAGE THE FUTURE!

CETEF is a key international undertaking organized since 2014 by the Polish Chamber of Commerce for High Technology (IZTECH) and the Polish Federation of Engineering Associations under the patronage of the European Parliament and under the auspices of the European Commission, in cooperation with universities, research institutes and the high-tech industry.

CETEF'26 - HIGH TECHNOLOGIES FOR EUROPE'S SECURITY

Over 1000 representatives from the technology, academic, industry and governmental sectors - international platform for:

- ★ discussion on the development of technical fields that are decisive for ensuring Technological Sovereignty and security for Europe
- ★ exploring new ideas, building partnerships, shaping the new EU Framework Program and enhancing the role of the Central and Eastern European countries
- ★ presenting technological potential of Poland and the region to implement large European high-tech projects
